

Are you looking for an
award winning,
family run,
Day Centre?

Open Monday - Friday 9-5

We specialise in supporting
individuals to live well with all
types of **dementia, sensory
impairments and disabilities**

Meeting others and creating friendships
at our centre will help to reduce
social isolation within our community,
by providing you with opportunities
to extend your social networks and
form relationships, maintaining
your interests, activities and social
involvement. This in turn will lead to a
better night's sleep and even improve
relationships when your days are full
with fun, laughter and peace of mind.

Take part in activities of choice that will improve your quality of life, delay further deterioration of your physical and mental health and ensure that you have a positive and fulfilling experience.

Meet others at our centre and create new friendships extending your social networks.

Maintain your interests, activities and relationships with days that are full of fun, laughter and peace of mind.
